## VISION

The St Mary's Greensborough Junior Football Club aim to support all children by creating an environment which is inclusive, family focused and enables each player to develop their football skills under quality coaching and at a level of competition which suits their abilities at any given stage of their development.

We are committed to remaining the biggest and best community junior football club in our area by creating a safe and fun environment for children to develop their character through teamwork, friendship and discipline.

We will always encourage fairness, respect and sportsmanship for the Club and other teams. The safety and wellbeing of our players is paramount to our culture.

We will provide qualified coaching with an emphasis on player development and a fun, positive learning environment.

We provide a family orientated football and social experience for all our players, parents, supporters, sponsors and visitors.

To provide a safe, welcoming, inclusive and fun environment for all players, umpires, parents and supporters.

We value the contribution of volunteers who ensure children can play our great game. Our volunteers will be supported in their role and appreciated for their efforts.
