

Whatmough Park Coaches Boxes Set Up and Pack Up

N.B. Set-up is a TWO person task

Step One
Lift the canopy

Step Two

Undo the lynch pin and remove the securing bolt.

N.B. Make sure you hold the 'support arm' to ensure it does not fall once you remove the bolt!

Step Three

Swing the securing arm(s) towards the playing field, line up its hole with the canopy and insert the bolt(S). Secure each with the lynch pin.

Step Four
Lower the bench seat.

You're DONE.

And don't forget to do the reverse to pack them up after your last game.
